

The Great Plan of God

“according to the **eternal purpose** which he purposed in Christ Jesus our Lord” (Eph. 3:11)

We invite you to join us for our Gospel Meeting on October 23-26, 2011

God is the great designer and architect of the magnificent creation that surrounds us, but far greater He is the loving architect of man's salvation which He planned before the foundation of the world. Join us as we invite Jason Rollo to help us explore this great topic from God's Word.

Jason is a gospel preacher in Lovelady, Texas where he grew up. He and his wife of 16 years, B.J., have two sons, Jackson (13) and Josiah (11), and two daughters, Jenna (3) and Julia (1). In addition to local preaching, he works hard supporting his family in secular work, has been on a number of foreign mission trips, and regularly speaks on lecture-ships and at gospel meetings each year. He loves and proclaims the truth of God's Word...

Bring your Bibles and let us study God's Word together!

**Jason Rollo,
Gospel Preacher**
